

Ag in Motion VENDORS and EXHIBITORS

SAVE TIME AND MONEY WITH PRE-PAID MEAL VOUCHERS!

Once again, the **Rotary Food Tent** is offering **prepaid meal vouchers** to the exhibitors of Ag in Motion. These vouchers provide your staff and guests with a quality food option without long line ups or wait times. Voucher holders use an **express pre-paid voucher** line that will bypass the lineups that can occur at peak times. Further, the voucher program allows you to provide your guests with a quality food option at reduced prices.

Voucher holders have their choice of a beef burger or pork smokie in a bun complete with snack chips, drink and Saskatoon Berry pie – all for \$12 – a saving of \$2.

The vouchers are sold online. Mastercard / Visa is accepted. You can pre-order your vouchers by clicking here www.picatic.com/event15263518285896.

New for this year, the Rotary Food Tent is offering coffee and a muffin starting at 8 am!

All profits from the Rotary Food Tent are used to the fund projects locally and globally to improve the lives of the less fortunate. Some of those projects include The Saskatoon Food Bank and Learning Centre, RAP, Days for Girls to name but a few.

We like to thank our sponsors for their assistance with this event.
