SECTION 2: PRE-EXPO ACTIVITIES AND SERVICES

2.1 EXHIBITOR SERVICES

An exhibitor services checklist and forms for all services can be downloaded from **Current Exhibitors** at aginmotion.ca

2.2 TENT RENTALS

Handy Special Events is the preferred tent supplier for tenting requirements at Ag in Motion. Handy Rentals has qualified personnel on-site for Expo set-up and tear-down, as well as during the Expo. Tent order forms can be downloaded here: **Handy Special Events**. All tents are subject to inspection and removal if they do not meet required safety standards.

2.3 ELECTRICAL – Electrical service provided by STADIUM POWER

One 1500-watt electrical outlet is included in the rental cost of each exhibit space (unless otherwise stated).

It is recommended to book early. Order forms can be downloaded here: **Electrical Order Form**.

POWER WILL BE AVAILABLE ON A 24-HOUR BASIS FROM 12:00 p.m. the Monday before the Expo until 5:00 p.m. on Thursday, closing day.

2.4 CELLULAR SERVICE

SaskTel is the major provider of cellular and related wireless services in the Ag in Motion vicinity. SaskTel currently has agreements in place with Bell and TELUS, which includes Virgin and Koodo. Rogers and Fido also now roam on the SaskTel network. Wind Mobile does not have service in the area.

A temporary “Cell on Wheels” is to be in service in early July to provide improved cell service prior to and during the Expo.

2.5 INTERNET SERVICE

Keep checking back as more details are coming soon!

2.6 FINANCIAL SERVICES

For exhibitors with their own wireless point of sale (POS) devices, the system must work on the SaskTel Network. Prior testing is recommended. See Section 2.4.

2.7 EXHIBITOR PASSES

Please check the exhibitor checklist for more details.

2.8 MATERIAL HANDLING & CUSTOMS

› In order to expedite the timing of deliveries and pickups, please provide the exhibiting company’s name and site location on all trucking/courier manifests.

› Exhibitors can have material shipped in advance through the Handy Special Events Advanced Material Handling service (fees apply). Download instructions for ordering this service here: **Handy Special Events**.

› Customs – Please visit the **Current Exhibitors** page at aginmotion.ca for details or contact Carol Carson at ccarson@farmmedia.com or (800) 563-5441 ext. 43.

2.9 SECURITY

Security will be monitoring the Expo site. Ag in Motion and all other related parties will not be responsible for any items left at the Expo site.

SECTION 3: TRADE SHOW RULES AND REGULATIONS

3.1 LIABILITY INSURANCE

Exhibitors must submit proof on insurance to wheinze@farmmedia.com prior to the event.

The Exhibitor will be liable for and will indemnify and hold harmless Management from any loss or damages whatsoever suffered as a result of any person or company including, without limiting the generality of the foregoing Exhibitor, other Exhibitors, Management, the owner of the property and their respective agents, servants and employees and members of the public attending the Expo, either on the said space or elsewhere if said loss or damages arose or were in any way connected with the Exhibitor's occupancy of said space.

The Exhibitor shall secure and furnish upon demand evidence of comprehensive general liability insurance with a limit not less than \$2,000,000 inclusive including coverage for premises and operations, products and completed operations. The Exhibitor is responsible for the cost and placement of all insurance related to any potential loss or damage resulting from participating in the Expo.

Additional insured to be listed:

- › Borden Bridge Development Corporation, 2188 Yukon Street, Vancouver, BC, V5Y 3P1
- › Regional Municipality of Corman Park, 111 Pinehouse Dr., Saskatoon, SK S7K 5W1
- › Glacier FarmMedia Limited Partnership, 1666 Dublin Avenue, Winnipeg, MB R3H 0H1

Pal Insurance Brokers Canada Inc. offers short-term exhibitor/vendor booth liability insurance. Liability insurance can be ordered through this company or any company of your choice. Contact Pal at (800) 661-1608 or visit www.palcanada.com/en/.

3.2 BUILDINGS/STRUCTURES

Ag in Motion is on a permanent site. However, all structures/buildings are required to be exhibited on a temporary basis. This will allow both Expo Management and Exhibitors the flexibility to make improvements to

the site/exhibit space. Please contact Rob O'Connor at roconnor@aginmotion.ca, or (306) 550-4890, if you have questions regarding semi-permanent buildings/structures. All buildings/structures are subject to inspection and removal if they do not meet required safety standards.

3.3 OUTDOOR EXHIBITS

Exhibitors must confine his/her presentation within the contracted space only and within the Expo rules and regulations as well as maintain a staff in the booth during Expo hours.

In order to ensure **line of sight** considerations for neighbouring exhibitors, the following rules must be adhered to:

- › Exhibited machinery, equipment or other items that are under 4 ft. tall may be displayed up to the front lot line;
- › Exhibited machinery, equipment or other items that are between 4 ft. and 8 ft. tall must be placed 5 ft. back from the front lot line; and
- › Exhibited machinery, equipment, or other items that are over 8 ft. tall must be 10 ft. back from the front lot line.

3.4 INDOOR EXHIBITS

- › Exhibitor must confine his/her presentation within the contracted space only and within the Expo rules and regulations and maintain a staff in the booth space during Expo hours.
- › Indoor exhibits shall be placed fully within the confines of the space provided. Ag in Motion will supply 3 ft. high drapes between exhibits and 8 ft. high drapes behind only those exhibits that back onto each other.
- › The Exhibitor will be responsible for supplying all other equipment necessary for the exhibit. Unless otherwise stated, one (1) electrical outlet will be supplied by Ag in Motion. Exhibitors have the option of purchasing flooring for their exhibit space from **Handy Special Events**.

- › Any signage, decorations or display materials on the back perimeter must not be over 8 ft. high or hang over the boundaries of the space provided.
- › For those Exhibitors who have purchased four (4) or more standard exhibit spaces (i.e., frontage of 40 ft. or more), the Exhibitor may install drapes, walls, signage or decorations up to a maximum of 12 ft. high on the exhibit spaces fully contained within, but not adjacent to other Exhibitors' areas, in the space provided, if tent height allows.
- › Display material must not obstruct sight lines of neighbouring exhibitors. The maximum 8 ft. height is allowed only in the rear half of the booth space. Any exhibit materials over 5 ft. tall must be displayed 5 ft. back from the front of the exhibit space.

3.5 CARE OF THE LAND

It is the sole responsibility of all Exhibitors to provide normal care of all land being used by them in accordance with the Rural Municipality of Corman Park laws and land use laws governed by the Province of Saskatchewan and the Government of Canada. Exhibitors in contravention of any such laws will be expelled permanently from the Expo. The Exhibitor shall not disturb the exhibit space without obtaining written approval and on-site authorization from Ag in Motion Management. All damages, losses or claims whatsoever arising from disturbing or interfering with the space of other Exhibitors will be the sole responsibility of the Exhibitor.

3.6 EXHIBIT MAINTENANCE

Exhibitor booth cleaning will be the responsibility of individual Exhibitors. An exhibit cleaning service is offered by **Handy Special Events**. To order this service, download instructions at Handy Special Events.

3.7 GARBAGE AND RECYCLING

- › Please place all garbage in front of the exhibit on the street or pavilion after 4:30 pm daily for pick-up. If required, please contact the Site Office for garbage collection and extra garbage bags.
- › Ag in Motion will provide recycling bins throughout the Expo site.
- › Ag in Motion will provide a large recycling bin for cardboard.

3.8 PERMISSION TO DIG

All Exhibitors wishing to dig a hole or dig post holes at the Expo must request permission in writing from Expo Management. A request form must be submitted. Permission to dig will be granted by Expo Management after all regulations are met and necessary precautions have been taken by Exhibitors. Ag in Motion Management assumes no liability for damage caused by faulty digging. **It is imperative that Exhibitors contact Expo Management before digging.** Download a permission to dig form at **Permission to Dig Form**.

3.9 SAFETY PROCEDURES

- › Exhibitors who will show moving or operating equipment are required to provide every possible precaution for the safety of Expo visitors, their own operators and exhibit personnel. All shaft, belt and chain drive units must be covered; all equipment where cutting is involved must be provided with safety shields or related safety devices.
- › Ag in Motion Management makes every effort to follow The **Saskatchewan Employment Act and Regulations** and insists that Exhibitors at Ag in Motion carry out all aspects of move-in, move-out and exhibiting at the Expo as per this provincial Act. Please see Expo Management for clarification or explanation of requirements. Failure to comply with the Act may lead to the expulsion of offending Exhibitors from the Expo site.

3.10 FIRE PROTECTION

Ag in Motion requires that all tents over 600 sq. ft., or tents that may contain fire hazards, have a 5 lb. or greater-rated fire extinguisher located near the exhibit entrance and placed 5 ft. above the ground. Exhibitors are responsible for supplying a current fire extinguisher for their tent. Failure to comply with fire protection regulations may lead to the expulsion of offending Exhibitors from the Expo site.

For fire extinguisher rental, please contact Trans-Care Rescue Ltd. at (306) 283-4496, (800) 71-RESCU (73728), or **trans.care@sasktel.net**.

3.11 SOUND LEVELS

Ag in Motion Management reserves the right to request the abatement of any or all noise-creating activities that are deemed to be destructive to the Expo, its Exhibitors or its visitors. Failure to comply with recommendations from Expo Management may lead to the permanent expulsion from the Expo Site of the offending party.

3.12 LIVE ENTERTAINMENT

The Exhibitor must obtain written approval from Ag in Motion Management before the showing of live entertainment.

3.13 LIVESTOCK

- › Exhibitors must receive an approval letter from Ag in Motion Management if you plan to bring live animals on-site, please complete a **Livestock Tracking Form**.
- › This information is being collected for Health and Safety and biosecurity purposes and will not be shared.
- › Ag in Motion will provide water for animals; however, Exhibitors must provide water and feed holding capacities
- › Exhibitors are responsible for providing all feed, veterinary and other necessary requirements for the safe care and handling of their animals.
- › Ag in Motion will arrange with Exhibitors to remove manure daily from the Site.
- › Exhibitors should leave dogs at home. If dogs are part of your exhibit, please adhere to instructions for livestock.
- › Exhibitors with livestock wishing to stay on-site may do so with permission from Ag in Motion Management.

3.14 PARKING

Vehicles will not be allowed on-site during Ag in Motion. Exhibitor parking will be adjacent to the Expo site. Exhibitors will be allowed to drive to their site, but **vehicles must be removed before 8:00 am daily**. Each Exhibitor will require one admission pass per person per day.

3.15 RECREATIONAL VEHICLES (RVs)

Exhibitors may park RVs on their exhibit space during the Expo if it is a part of their display and/or for office usage. The RV must be in place well in advance of the opening of the Expo and may not be moved until after the Expo closes at 4:30 pm on Thursday, July 18. All wastes (solid or liquid) must be self-contained. No liquids may be disposed of on the Expo Site. Note that

on-site offices, including RVs, may not be used for overnight accommodation purposes during the Expo due to security reasons. Ag in Motion offers overnight RV parking in a designated area. **For more details on RV Parking, visit section 7.2**

3.16 ENTRY TO EXPO

Ag in Motion Expo Management reserves the right to refuse admission to the Expo site, or request the expulsion from the Expo site, of any visitor, Exhibitor, or Exhibitor's employees who, in the opinion of Expo Management, is unfit, intoxicated, or in any way creating a disruption. Each Exhibitor will require one admission pass per day.

3.17 SALE OF GOODS AND SERVICES AT THE EXPO

Exhibitors are encouraged to sell their goods and services at the Expo. Small sale items may be carried off the Site by the purchaser when they choose. However, Management requests that large sale items (e.g. tractors, field machinery, and water pumps) remain on-site until after the Expo closes on Thursday.

3.18 PROMOTIONS, CONTESTS AND SOUVENIRS

- › Sales, promotions, competitions, and contests conducted by Exhibitors in conjunction with their display must be free of any obligation on the part of the winner. Prize winners must not be required to place an order before collection of the prize offered. The schedule of prizes and terms of the competition must be clearly stated on the entry form. All such competitions must be approved by Ag in Motion Expo Management at least 3 weeks before the Expo. It is the responsibility of the Exhibitor to ensure contests comply with all existing government regulations.
- › Only participating Exhibitors have the exclusive rights to promote or sell goods and services at the Expo. All other parties who attempt to make any sale solicitations without the written permission of Ag in Motion Management will be permanently removed from the Expo site. Exhibitors are asked to report any infractions to the Site Office so that immediate remedial action may be taken. Distribution of samples, souvenirs, promotional material, and solicitation of business must be confined to the Exhibitor's own booth space. Exhibitors wishing to enter another Exhibitor's area may do so only if invited.

3.19 DEMONSTRATIONS

- › Ag in Motion is a demonstration-oriented agricultural showcase. Exhibitors are welcome to conduct field demonstrations in conjunction with Ag in Motion Management. A small participation fee will be charged.
- › Ag in Motion encourages demonstrations both in the business park area as well as the field demonstration area. In many cases, the equipment or product being demonstrated may require a tractor to operate the machine. **The Exhibitor must arrange with a company at the Expo to use a tractor or related piece of equipment from a participating Exhibitor. Tractors or other related equipment that are not being exhibited at the Expo may not be used in any demonstration.**
- › Numerous manufacturers of farm tractors are participating at the Expo. Please arrange to secure a tractor from dealers/manufacturers that are represented at the Expo. Contact Kaitlyn Kitzan kkitzan@farmmedia.com from Ag in Motion Management for information.
- › Guidelines have been developed for seed companies, crop input companies and suppliers, including agrochemical companies, and farm equipment/ machinery companies regarding their demonstrations during the Expo. A comprehensive set of regulations has also been developed for all field demonstrations and is distributed to participating companies upon request from Kaitlyn Kitzan kkitzan@farmmedia.com

3.20 RIDE AND DRIVE/ DEMONSTRATION WAIVER

- › Ag in Motion encourages Exhibitors to offer qualified attendees the opportunity to try out the products that the attendee may wish to purchase. If interested in hosting a ride and drive, please contact Kaitlyn Kitzan kkitzan@farmmedia.com

- › Ag in Motion Management requires individual Exhibitors to provide, manage and govern attendees to sign a liability waiver before participating in any high impact demonstrations. This will remind the attendee that, in addition to protection and general safety, Ag in Motion insists that each person trying out any product is responsible for his or her own personal safety. This applies to all ride and drive/demos including, but not limited to ATVs, bicycles, tractors, lawn mowers, passenger vehicles and all other utility vehicles.

3.21 USE OF UAV/DRONES

Exhibitors are NOT to operate drones at the Ag in Motion site at any time. This is both out of courtesy to visitors and exhibitors, as well as compliance with Transport Canada regulations.

3.22 SIGNAGE

Signage is only permitted within your exhibit space. Signage around the show site is reserved for sponsors (as per sponsorship agreement) and for show purposes unless approval is granted from Show Management. Any unauthorized signage will be removed and stored at the Site Office for pick-up.

3.23 UTVS & GOLF CARTS

Ag in Motion (AIM) Show Management strongly discourages the use of golf carts, UTVs and other utility vehicles during show hours. Only UTVs, golf carts, and other utility work vehicles are acceptable. ATVs, powersport, or any other recreational vehicle are not allowed on site. Should an exhibitor require the use of a utility vehicle they must complete the **UTILITY VEHICLE (UV) REGISTRATION form**. One UV pass is allowed per outdoor exhibit. No UV passes are provided to indoor exhibits.

SECTION 4: MOVE-IN/MOVE-OUT PROCEDURES

4.1 MOVE-IN/MOVE-OUT DATES

- June 20** Self-unloading equipment/materials can be delivered to the Site and stored in a marshalling area. It is the Exhibitor's responsibility to pick up the materials; they will not be placed on the Exhibitor's space.
- July 11** Move-in begins for outdoor exhibits.
- July 11 - 28** Telehandlers will be on-site from 8:00 am until 5:00 pm to assist with unloading and moving equipment.
Expo site open from 8:00 am to 5:00 pm daily. Exhibits that require highway trailers to be unloaded at the exhibit space and/or will require more than one hour use of tele handlers are encouraged to plan their set-up for the Tuesday to Thursday during the week prior to the Tuesday to Thursday during the week before the show.
- July 14** Indoor Exhibit space ready for move-in.
- July 19** Ag in Motion site will be open for final move-in at 6:30 am. Exhibits must be set up by 8:00 am.
All vehicles that are not a part of the exhibit MUST be removed from the Expo site by 8:00 am.
- July 19 - 21** Ag in Motion is open to visitors from 8:30 am to 4:30 pm. Only emergency and service vehicles will be allowed on the Expo site during these hours.

July 21

Move-out may begin at 4:30 pm, but **NOT BEFORE**. Small trucks and trailers will be allowed on-site at 5:00 pm or when deemed safe by Ag in Motion management. Highway trucks/trailers will **NOT** be allowed on-site until after 6:30 pm, or when it is deemed safe.

July 29

All materials must be removed from the Ag in Motion Site by Friday July 29, 2022, at 4:00 pm. Materials remaining at the Site after this time will be removed at the Exhibitor's expense.

4.2 LOADING/UNLOADING AND LIFTS

- Ag in Motion will provide lift services to assist Exhibitors in the handling of heavy materials. Lifts will be available by contacting the Site Office on a first-come, first-served basis. Exhibitors must be present at their exhibit lots when lifts arrive, or the lift order cannot be completed.
- Please refer to 4.1 for lift availability dates.
- Ag in Motion Management will provide 4 ft. and 3 ft. loading ramps for trucks. Due to potential turf damage, all highway trailers will be unloaded at the loading ramp area located off Range Road #3083. Smaller vehicles can load and unload at the Exhibitor's lot.

4.3 CLEAN UP – Shavings/Wood Chips/Mulch/Holes

Exhibit space/turf must be left clear of garbage and all landscaping materials. Any holes created must be filled. If extra effort is required by Ag in Motion staff to clean the exhibit space, a charge will be applied to cover the cost. **The fee has been set at \$100.00 per half hour.** Only Exhibitors with lots that require this final cleanup will be invoiced for this service.

SECTION 5: DURING THE EXPO

5.1 NEW EXHIBITOR SERVICES CENTRE

More details to come

5.2 SPECIAL EVENTS

- › Notify Kaitlyn Kitzen at kkitzan@farmmedia.com if you plan to hold a private event anywhere on the Site after Expo hours. Guests will be restricted to a specific location and will not be allowed to wander the property.

5.3 SECURITY

- › It is each Exhibitor's responsibility to ensure protection of his/her valuables on-site, especially small portable items.
- › Ag in Motion contracts with a private security company to provide protection of the Site.
- › Exhibitors are welcome and encouraged to hire additional security for their exhibits. Contact Chantelle MacLeod at cmacleod@farmmedia.com for information about security at your exhibit.

5.4 WATER

Ag in Motion will have two sources for water:

- › **Water for Human Consumption** – Cases of bottled water and ice can be ordered in advance using the **Exhibitor Services Form** or it can be purchased from the Ag in Motion site office. Delivery to your exhibit space can be arranged.
- › **Utility Water** – Ag in Motion Management will arrange for water service to fill sprayers or other large containers for demonstration purposes. Utility water will be available throughout the Show Site. **This water is not suitable for human consumption.**

5.5 PROPANE

Exhibitors/caterers are to make their own arrangements for propane.

Propane Installations for Cooking or Demonstrations:

- › All caterers and Exhibitors using propane or other flammable fuels for cooking or other equipment demonstrations must meet the standards of the SaskEnergy Act and Saskatchewan Codes of Practice, CSA Bulletin CSA-B142 Propane and Storage Handling (search SaskPower propane safety).

- › Each mobile unit requiring a propane installation must have a certificate of inspection indicating the equipment meets the Propane Installation Code by a Certified Gas Technician for the current year.
- › A representative from SaskPower - Propane Inspections may be present to do a spot check; the representative will request the annual certificate of inspection.
- › A copy of the document "Guidelines for Heating and Cooking Equipment Use at Public Gatherings" is found below.

5.6 GUIDELINES FOR HEATING AND COOKING EQUIPMENT USE AT PUBLIC GATHERINGS

Fuel Suppliers:

Where fuel is supplied to a site NOT connected to an appliance by the supplier, the supplier shall ensure that the cylinders are in good safe condition and are safely stored. Where fuel is supplied to a site that IS connected to an appliance by the supplier, the supplier shall ensure that the cylinder is properly installed and that connections are leak-free, the equipment is in safe operating condition and the equipment is approved

Food and Beverage samples:

Exhibitors may give away free food and beverage samples as part of their exhibit experience. Saskatchewan Regional Health authorities must approve samples and food service processes no less than two weeks prior to AIM (Ag in Motion). Please advise Coral Defayette cdefayette@farmmedia.com of your plans.

Rental Houses:

Where equipment is leased, rented, or loaned to a person or organization, the owner shall:

- › Provide documentation affirming that the equipment is in safe working condition and approved and provide adequate training/explanation to ensure that the lessee is aware of installing/using the equipment.

Equipment Users:

Where a person or organization intends to use propane, natural gas or other hydrocarbon-fueled equipment at a public event, the person responsible shall:

- › Ensure that equipment to be used is in safe working condition and meets the requirements of all applicable legislation (local and Provincial).
- › Ensure the equipment has been inspected by a Certified Gas Technician.
- › Ensure that all people operating the equipment are trained in its safe use and their duties and emergency procedures.
- › Ensure that where equipment is to be used indoors, specific permission for such use is gained from the authority having jurisdiction; equipment must be approved for use.
- › Ensure that special effects equipment which utilizes hydrocarbon fuel shall be properly engineered and approved for use prior to the event by the authority having jurisdiction; the owner/operator shall provide documentation, which affirms that the equipment under their control is in safe acceptable working condition.

Special Issue:

Open flame Construction Heaters are not to be used to heat structures utilized for an event. Only Certified Technicians can install, alter, repair, or remove an appliance or equipment. Cylinders must be installed or stored in an acceptable manner.
